

## **EDUCATION INTERN at THE NEW ENGLAND AIR MUSEUM**

The New England Air Museum is looking for an intern for the fall and/or spring semesters. This is a unique opportunity to work in a Museum setting among a rich collection of aviation artifacts. This position will be responsible for assisting the Museum in its signature program, SOAR for Science, by hosting classes from area schools in grades 4 through 8 teaching scientific principles as they relate to flight.

**TITLE:** Education Intern

### **DESCRIPTION:**

The responsibilities of this position include:

- Teaching scientific principles as they relate to flight to students in grades 4 through 8 using the process of inquiry method and the Museum's unique collection of artifacts
- Preparing classroom and materials for student visits to the Museum

### **REQUIREMENTS:**

The ideal candidate will have completed at least 2 years of undergraduate work with a major in education (general science, physics, mathematics, technology, elementary or secondary education preferred). Experience working with young people in an educational or camp setting helpful. Flexibility and positive attitude a must!

### **HOURS:**

9:30am – 2:00 pm, 2 - 3 days per week.
