

INSTALLERS ELIGIBLE TO PARTICIPATE IN CCEF'S SOLAR PHOTOVOLTAIC PROGRAM

As with any significant purchase, homeowners are encouraged to shop around when considering a solar PV system. They should check references, seek as much information as possible, and obtain quotes from several installation companies.

Akeena Solar, Inc.

Shannon Whitworth
24 Commerce Road, Suite O
Fairfield, NJ 07004
888-253-3628
info@akeena.net
www.akeena.net

Akeena Solar is the largest national residential and commercial solar electric system installer in the U.S. We provide design and build services to customers in CA, NJ, NY, PA and CT.

Burrington's Solar Edge

Gail Burrington
6 Reed Circle
Windsor Locks, CT 06096
860-623-0159
solaredge@yahoo.com
www.angelfire.com/biz/solaredge

Burrington's Solar Edge sells, installs and maintains solar photovoltaic equipment, in addition to providing consulting, site analysis and project planning services across Connecticut. The company specializes in pre-engineered utility-interconnected PV systems smaller than 3000 watts, as well as the custom design of utility interactive home systems that use battery backup power for critical loads.

Global Resource Options

Paul Coughlin
406 North Broadway
Nyack, NY 10960
914-393-1746
Paul@GlobalResourceOptions.com
www.globalresourceoptions.com

Global Resource options, LLP, has installed hundreds of kW of photovoltaics on customer roofs in the northeast. Our professionals will select, design, and install a system that provides you with the best possible integration of technology, efficiency, and cost. Simple process, worry-free installation, commitment to service, and long term experience have made us the PV leader in the northeast.

Pioneer Valley Photovoltaics Cooperative

Bill Stillinger
61 Chamberlain Highway, Suite 221
Kensington, CT 06037
860-829-0764
Bills@pvsquared.coop
www.pvsquared.coop

Pioneer Valley Photovoltaics (PV2) designs, installs and maintains PV and solar hot water systems for homes, businesses, and institutions. We are a small and local business, with a quality workforce organized as a worker-owned cooperative.

Solar Energy Systems, Inc.

Christopher Moustakis
1205 Manhattan Avenue
Suite 1210
Brooklyn, NY 11222
718-389-1545
sales@solaresystems.com
www.solaresystems.com

Solar Energy Systems, Inc. is a renewable energy company specializing in solar electric photovoltaic systems. We design, build, and maintain solar energy systems. We are experienced installers with master-level training, and have to date been involved in the development and/or installation of solar electricity systems totaling over 500 kilowatts in capacity.

Solar Works, Inc.

Bob Fabian
13 Palmer Street
Arlington, MA 02474
800-339-7804
info@solar-works.com
www.solar-works.com

Solar Works is a full service renewable energy contractor, serving the Northeast since 1980. We specialize in utility-interconnected photovoltaic systems, providing turn-key design and installation services.

Spire Solar

Jeremy Jones
One Patriots Park
Bedford, MA 01730
800-510-4815
jjones@spirecorp.com
www.spiresolar.com

Spire Solar, with 35 years in the solar industry, provides turnkey industry leading photovoltaic systems to housing developers. Drawing from our experience of coordinating over a megawatt of installed capacity, Spire offers the best combination of reliability, design, and economics in solar installations.

Sunlight Solar Energy, Inc.

Paul N. Israel
John Sych
4 Oxford Road
Milford, CT 06460
203-878-9123
860-61-SOLAR (Cell)
paul@sunlightsolar.com
www.sunlightsolar.com

Sunlight Solar Energy is dedicated to educating our customers, empowering them to make intelligent buying decisions. We are serving all of Connecticut.

Sunsearch Inc./

Aegis Electrical Systems
Everett Barber
P.O. Box 590
Guilford, CT 06437
203-453-6591
ebarber@sunsearchinc.com

Sunsearch was incorporated in Connecticut in 1975. We design, install, and service all types of solar energy systems. Solar energy is our only business. Member, American Solar Energy Society.
