FROM THE ARCHITECTURE CHAIR

- **STUDENT EXHIBIT**

The AIAS Architectural Student Exhibit (AIAS7AS) will open April 13, and be on display through April 17, coinciding with the visit of the NAAB accreditation team. There's still time to submit your work. The deadline for submission is March 23. If you'd like to submit work for consideration, please contact Sara Murray at smurray@hartford.edu or Lauren Erickson at lerickson@hartford.edu. All submissions must have digital back-ups. All work to be included in the exhibit will be announced on April 2 via a list posted on the front glass door of the Architecture department. The opening reception of this year's student show, "Tabula Rasa," will take place April 13, 5:30 – 8:30 in the exhibit hall leading from the Joseloff Gallery to the Bookstore. If you'd like to participate in the design/installation/construction of this exhibit please contact Chris McCoy at 516-567-8604 or Cmccoy@hartford.edu.

- **STUDIO MOVIE SERIES**

Last week we announced that the architectural movie series will debut on March 15. Of course, that's during Spring Break, and most of us won't be on campus. What we actually meant was that the series will start on March 22, at 12 in studio.

- **LASER PRINTER IN STUDIO**

The new laser printer has been installed in a cubicle in the east side of the middle section of the main studio space, and is hooked into the network. The printer will allow design work to be printed out quickly without tying up the plotters. However, the mouse to the desk-top computer installed with the laser printer has scurried off. If you know where it is, please bring it back. Thanks.

- **KENDRA SMITH RECEIVES SERVICE AWARD**
