Electives	<u>6</u>				
	15				

At least two PSY electives must come from the Biological and Learning Perspectives on the following page and two PSY electives from the Social and Applied Perspectives.

Psychology majors must have an overall GPA of 2.25 in the Psychology courses presented for the major. In addition, Psychology majors must earn a grade of C- (or above) in PSY 270W, PSY 372, and PSY 470.

- * Psychology majors should take the introductory sequence PSY 101 and 102 in order.
- ** These two courses satisfy the writing intensive course requirement.
- *** A 500 level course may be taken by seniors who have demonstrated superior performance in courses in the major with permission of the department chair.
