

**GENERAL EDUCATION REQUIREMENTS**  
**B.A. DEGREE COMMUNICATION MAJORS**  
For students matriculating in Fall 2009 and later

|      |                                                                                                                                                                                                                                                                                      |         |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| I.   | First-Year Seminar (FYS 100)                                                                                                                                                                                                                                                         | 3 Cr.   |
| II.  | <b><u>Foundations of Citizenship</u></b>                                                                                                                                                                                                                                             |         |
|      | One Citizenship/Community course from approved list below (No AUC course)                                                                                                                                                                                                            | 0-3 Cr. |
|      | One Diversity course from approved list below (No AUC course)                                                                                                                                                                                                                        | 0-3 Cr. |
| III. | <b><u>Exploration and Breadth</u></b>                                                                                                                                                                                                                                                |         |
| Cr.  | One Math course (e.g., M110, M114, M116)                                                                                                                                                                                                                                             | 3       |
| Cr.  | One Arts course (e.g., ART 100, 210, 211, 212, HLM 100, DRA 160, CIN 150)                                                                                                                                                                                                            | 3       |
|      | Three Humanities courses from 3 different disciplines from <b>literature</b> (e.g., ENG 140, 217, 218, 220, 221, 223, 230, 231), <b>history</b> (e.g., HIS 100, 101, 130, 131, 210, 213, 215, 216), <b>philosophy</b> (e.g., PHI 110, 120, 220, 233, 265), <b>foreign language</b> . | 9 Cr.   |
|      | Two Lab Science courses (e.g., BIO 110, 111, CH 110, 111, 114, 116, PHY 101, 102, SCI 116, 120, 140). One may be an AUCT course (e.g., AUCT 120, 125, 140), but NOT AUCT 150.                                                                                                        | 4-8 Cr. |
|      | Two Social Science courses from two different disciplines from <b>economics</b> (e.g., EC 101, 110, 211, 215) <b>politics &amp; government</b> (e.g., POL 100, 105, 210), <b>psychology</b> (e.g., 101, 102), <b>sociology</b> (e.g., SOC 110, 113, 115, 130, 170, 205, 278, 281).   | 6 Cr.   |
| IV.  | <b><u>Foundational Competencies</u></b>                                                                                                                                                                                                                                              |         |
|      | RPW 110 (taken spring of freshman year) & RPW 210 (taken fall of sophomore year)                                                                                                                                                                                                     | 0-6 Cr. |
|      | One Information Technology Literacy course from approved list below (No AUC course)                                                                                                                                                                                                  | 0-3 Cr. |
|      | Two writing-intensive (W) courses, at least one in Communication                                                                                                                                                                                                                     | 0-3 Cr. |
| V.   | <b><u>All University Curriculum (AUC) Requirements</u></b>                                                                                                                                                                                                                           |         |
|      | Communication students take:                                                                                                                                                                                                                                                         |         |
|      | One AUCA course                                                                                                                                                                                                                                                                      | 3 Cr.   |
|      | One AUCS course                                                                                                                                                                                                                                                                      | 3 Cr.   |
|      | One course from either AUCC or AUCW                                                                                                                                                                                                                                                  | 3 Cr.   |
|      | One AUCT (One AUCT course, except AUCT 150, counts as one required lab science course)                                                                                                                                                                                               | 0-4 Cr. |

---

Total 41 – 59 Cr.

**Citizenship/Community Courses:** Humanities (PHI 210), Social Sciences (POL 100/HON 170, 210, 230, 240, 312, 340W, 343W, 450, POL/CMM 310, SOC 115, 363, 418W, 419).

**Diversity Courses:** AFS 110, 111, CMM 330/GS 330, 335, RPW 251/GS 251, RPW 340/GS 340, Arts (ART 395), Humanities (ENG 217, 218, ENG/AFS 222, ENG/AFS 223, ENG/AFS/GS 305; foreign language courses in German, Spanish, Italian, Japanese and French; PHI/REL 280, PHI 265, PHI/GS 350, PHI/GS 383W; Social Sciences (POL/AFS 213, 323, POL 220, 421, POL 222/AFS 242, POL/GS 317, 353, PSY/GS 248, PSY 257, SOC 110, 113, 130, 273, 460, SOC/GS 225, 315, SOC/AFS 258, SOC 256/AFS 226, SOC 382/AFS 352).

**Information Technology Literacy Courses:** CS 110, 111, 114, PTW 375.

**NOTE:** In addition to the above requirements and the 36 credits required by the Communication major, students must earn additional credits in order to reach the total of 120 credits required to graduate.
