College	Code	Title	Changes	
CETA		Mechanical Engineering - Energy Engineering and Sustainable Design Concentration	Create New Program	The addition of a concentration in Energy Engineering and Sustainable Design to the Mechanical Engineering Department of CETA was also passed as is.
ENHP		Master of Science in Physical Therapy	Revise Existing Program Delete Master's Program	Two items required action. One was the deletion of the Master of Science in Physical Therapy program (ENHP), due to the introduction of a doctoral program. At the top of the page of the Program Review Tracking Sheet the Delete program box should have been checked, but the Revise Existing Program was checked instead. The proposal was passed subject to making this change.
