53

Play this study slowly and concentrate on keeping the notes long and sustained. Make sure that the quarter notes sustain into the notes that follow. The goal is to produce smooth, seamless slurs with no inadvertent accents. Keep your air flowing in a sustained, steady stream throughout, as if the entire exercise were slurred.

Slur Study 15a

Trumpet in B \flat

After Arban Pg 41

Slowly $\bullet = 84$

molto legato e sostenuto
