Who is Affordable Travel?

Affordable Travel is based in Orlando, Florida and we have been providing discounts on hotel rooms and theme park tickets to Disney World and other attractions since 1991.

We started our **Employee Discount Program** a little over three years ago, and since then we have provided nearly 1,200,000 employees, based primarily in the south east region, with our discounts. We target companies with at least 2,500 employees or members. Some of our satisfied clients are: Bank of America, Tenet Healthcare, HCA Healthcare, Publix, Office Depot, Lennar Corporation, Georgia Pacific. In fact, we have over 475 participating companies and 54 participating credit unions.

At our exclusive reservation center, we have 6 well trained vacation specialists. These young ladies are the real key to our success. Their mission is to provide the utmost in information so the family can make an informed decision on how to plan and accomplish the most memorable Disney World Vacation. When you complete this vital ingredient with the largest discounts on attraction tickets and resort hotels found anywhere in Orlando, well, all of that goes to spell V A L U E.

We look forward to working with your company, and providing your members with the greatest savings on a vacation to Orlando. If you have any questions please feel free to contact me Trey Duling at 1-800-424-0734.
