TREASURER'S REPORT

New balance is \$3144.00.

OLD BUSINESS

During the Eboard meeting a name was put forward for the Hartford Scholars \$500 scholarship, Ellen is contacting the rest of the committee and will let the SA know the name of the recipient. The SA Banner has been reordered; the first banner was the wrong color. Banner is now being printed by a different company. A copy of the updated SA bylaws was distributed.

COMMITTEE UPDATES

PAID TIME OFF (PTO)

Jason reported that the committee did not have enough time to make any changes this fiscal year. If and when there are any changes they will be made to the next fiscal year.

NEW BUSINESS

The second annual welcome back barbeque is planned for Wednesday, August 16th. There was much discussion on how to ensure that only SA members and eligible members attend and how to get a more accurate count of the number of people coming. Last year only 64 people signed up to attend and we stopped counting number of people at the BBQ at 124. It was suggested that we give out a ticket to SA members who signed up and anyone that wanted to come and not a member could pay the \$10 fee that day and become a member.

We are still looking for fundraising ideas. A suggestion was made to sell beach cooler bags with University of Hartford logo on them. We are looking into different companies who sell the bags. It was also suggested at a previous meeting that we sell pies – that is still being looked into. If anyone has any suggestions please contact Jason.

Next meeting will be June 14th at GSU room 335E. Meeting adjourned at 1:30 pm due to security training.

Respectfully submitted,
Linda Zigmont
